

Supervisory Development

Presented by – Alesia Reese Retired HR – Knouse Foods

This program is designed for those who have recently been promoted to a leadership role, or someone seeking further advancement. In today’s business environment, every supervisor must assume more responsibility and knowledge to increase productivity and keep their organization competitive. The program will touch on topics like communication, motivation, and delegation.

Alesia Reese will be presenting and has more than 30 years in various HR roles in manufacturing. Alesia has held the role of Training Coordinator, Employee Relations Manager and HR Manager. Alesia recently retired from Knouse Foods.
