## HAMA 2019–2020 BOARD

We are in the process of putting together our HAMA board nominees for our next fiscal year. See below what we have so far. We are in need of a few positions and am looking for some members who would like to join us. There is not a huge time commitment and we have a lot of fun putting together the programs and events for your companies. We could really use some new faces and ideas. Won't you please consider joining us?

## SCHOLARSHIP UPDATE

The 2019 Charles Kidder scholarship information has been distributed. If you did not see it, please check it out on the website. Again, this year, we will have two scholarships; one for the traditional student and one for the adults who want to continue their education and your company does not compensate you for it. See the forms for details.

Also, please consider a contribution to the Scholarship Fund so that we can fund these two important items.

## EDUCATION UPDATES

Christine has been working diligently at getting an awesome line-up of educational opportunities for the Spring. We will be offering the following classes:

- Business Writing Workshop
- Getting to the HRart of Communication
- Supervisory Development

Details are attached to this newsletter.

Take note, that we have reduced the prices on the first two classes so that we could give each company an opportunity to send several employees if desired.

The Supervisory Development class is the one rescheduled from the fall. I will be reaching out to those that registered for that class to make sure you are still available. However, we still have room for many more students.

We look forward to seeing you all at these classes.
